

Jesus answered, "It is written, 'Man doesn't live only on bread. He also lives on every word that comes from the mouth of God.'" **MATTHEW 4:4**

Together, LET US experience truths from the mouth of God. Together, LET US learn lessons from the mouth of God. Together, LET US hear words from the mouth of God. Together, LET US experience, learn, and hear from the mouth of God.

Today I invite you to join me on a thirty-one day journey through the pages of God's Word. Each day I will share a verse from the Word of God and will invite you to go deeper still in your relationship with God through Jesus Christ. We can't live on bread alone but must receive nourishment from the truths of God's Word. God's Word should be to our spiritual growth as nutrients are to our physical growth, both essential.

My prayer is for you to experience the power of God by feeding on His Word under the guidance of His Spirit in your life.

LET US find the very Word God has breathed life into useful for teaching what is true. LET US find the Word of God useful for correcting our mistakes. LET US find God's Word useful for making our lives whole. LET US find it useful for training us to do what is right. (2 Timothy 3:16)

Sincerely Serving Him,

A stylized, cursive signature in red ink that reads "Lisa". The letters are elegant and flowing, with a large initial "L" and a decorative flourish at the end.
